

**Derek and Romaine
Magical Orlando Weekend
Itinerary**

Derek and Romaine are so excited to get their Magical Orlando Weekend kicked off but before we get into the details let's go over a few important points.

- This is your vacation—So enjoy it the way you want to. We have some suggested plans but they are not required. So participate in as many or as few as you would like.
- We are a large group. We have tried to plan opportunities for us to hang out as a full group but please understand that the WDW park is not one that makes it easy to move through it as a big group and ride all of the rides together. To that end, we highly recommend planning smaller groups amongst yourselves to ensure that you get to enjoy as many of the Disney attractions that you can.
- DNR SHIRTS: We designed a couple of DNR WDW shirts to make it easier to spot other group members while in the parks. They are available for sale on www.derekandromaine.com but we suggest getting your order in by Jan. 20th to ensure it arrives before our weekend.
- FAST PASSES: We are posting as part of itinerary some suggested times for Fast Passes. You can link these to your Disney Magic Band if you are staying with us on property by going to: <https://disneyworld.disney.go.com/plan/my-disney-experience/> FAST PASSES tend to fill up quickly, no one knows exactly how many Disney sets aside at any given time. If the time slot on our itinerary is full try to get one that is within 30 mins of our time. Please understand that if you can't get a Fast Pass it is out of our hands as this is just the way Disney does things.
- YOU DO NOT have to book the Fast Passes in the itinerary. So if you want to use your pre-selected Fast Passes on your Magic Band for different attraction that is perfectly okay.
- ITINERARY: This is just a suggested itinerary to give you an idea of how Derek and Romaine will be spending their time at WDW. It is designed to give you an idea on how to plan ahead if you want to join them for any aspect of your time at WDW. Use it, don't use it...that is completely up to you! We just want you to have a magical weekend!
- ADDITIONAL RIDES/ ATTACTIONS: The itinerary only has attractions that require fast passes. In between those times, we will be squeezing in other rides/ attractions. So use those itinerary times as a way to find the group and meet up with us if you want to join us as we make our way around the park.
